

# PRIVACY NOTICE

**Referre** is a private health company that provides mental health services and Equine Assisted Psychotherapy to children, young people, families and some adults.

At **Referre** we take your privacy seriously and will only use your personal information to

- administer your case; and
- provide the services we have agreed with you.

We keep GPs regularly updated about treatment and communicate with other professionals if there is a need.

**Referre** does not pass or sell your information to other companies for the purposes of marketing. Information will be shared with partner companies where there is a clinical need, such as in our work to offer multi professional assessments and therapy.

More information about how we use your data and handle it can be found in our Data Handling & Retention Policy.

If you would like more information:
